## *The secret rock star*

I've always known that my mum loves music and is very musical. She can play several instruments, including the guitar and the violin. She is actually really amazing on the guitar.

(1) ..... And she is always singing around the house.

I didn't know until recently, though, that, back in the 1990s, my mum played in a pretty famous band. (2) .....

He mentioned a video he had seen on YouTube of a '90s band playing live. He thought one of the singers looked like my mum and sent me the link to the video. I could see the similarity, but the woman's hairstyle and clothes were completely different to my mum's and she looked so young.

I wanted to know for certain, so I showed my mum the video to see how she would react. (3) ..... It was my mum. But why had she never told me about it?

(4) ..... At the beginning, she loved it. But, after a few years, it wasn't fun anymore: playing concerts in a different city every night, spending 24 hours a day with the other members of the band. She decided to give it up and teach the guitar instead.

(5) ..... But that was then. Nowadays, I think to myself, 'My mum, a former rock star!' – that's so cool!

- A When I mentioned this, I could see that he was surprised.
- B As soon as it started to play, I could see from her face that Jake was right.
- C I wish he'd warned me about what it showed.
- D In fact, they had played all over the world and made lots of money.
- E I found this out about a month ago through a friend of mine, Jake.
- F In fact, she teaches it to private students who come to our house for classes.
- G After finally hearing her story, I was still a little annoyed that she had kept her past a secret.
- H She explained that it was a period of her life that she wanted to forget.
